www.hungrymind.life

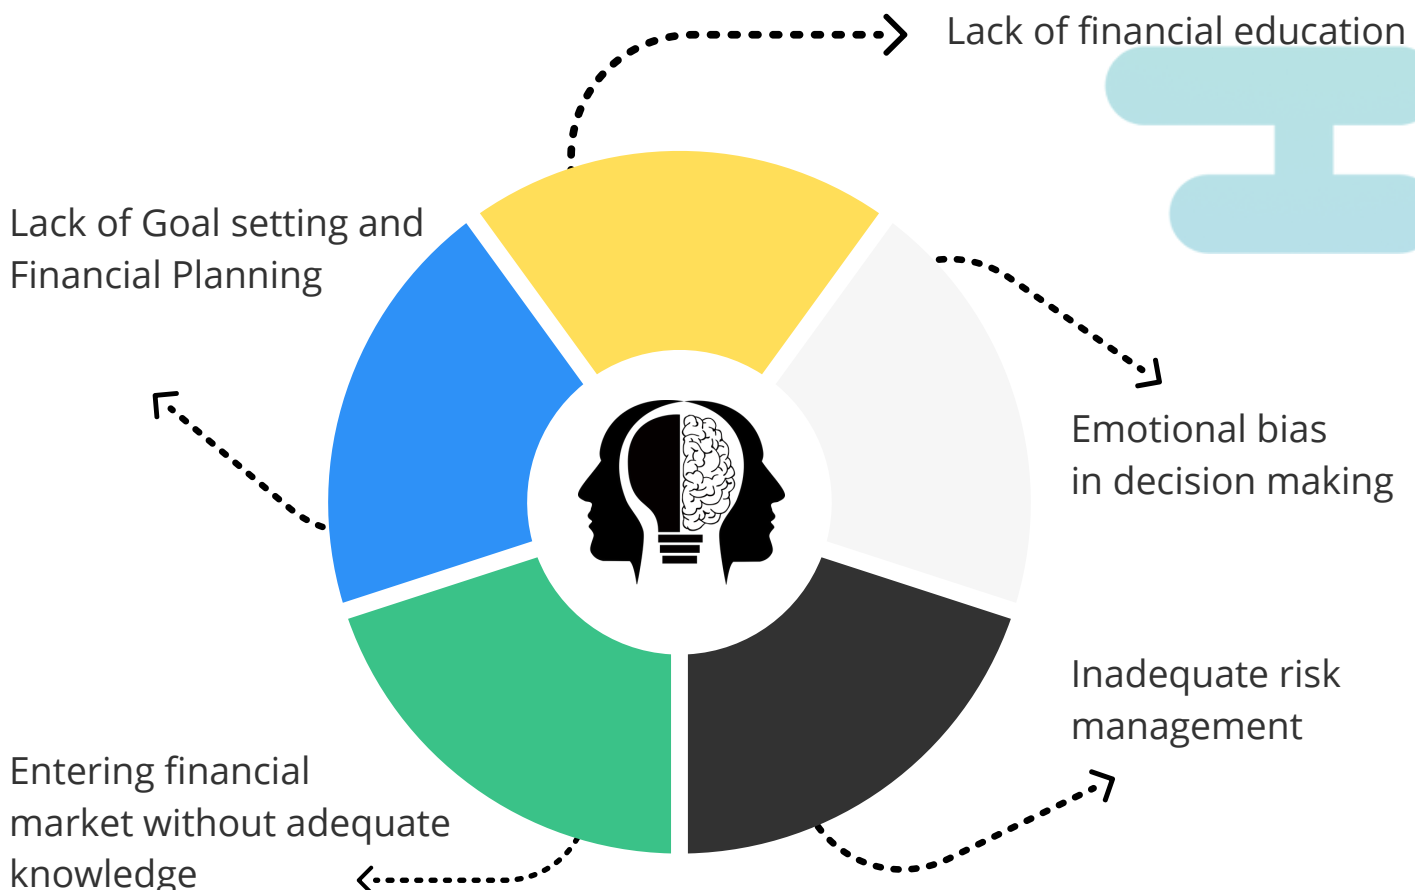

Current Scenario

The Art of Spiritual Trading- Virtual Edition is a 100% online program that provides you with in-depth knowledge of modern financial tools and ways of creating consistent and passive income.

You will learn the art of trading mindfully in live market with Virtual money that ensures you don't lose your capital in learning.

Why is it important?

Let us understand current problems faced by individuals in wealth management.

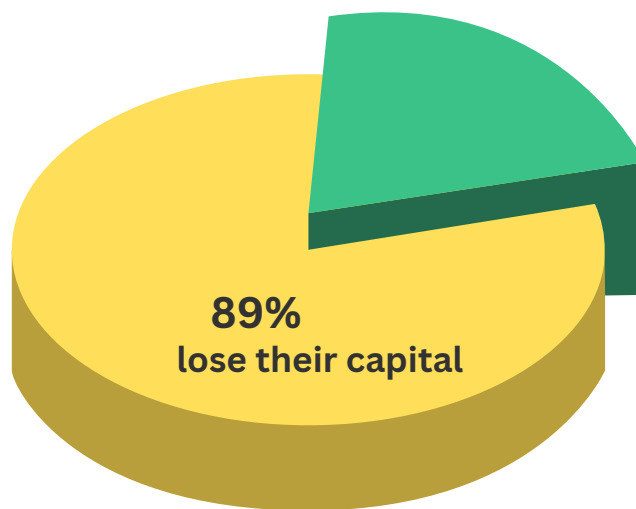

SEBI Report 2023

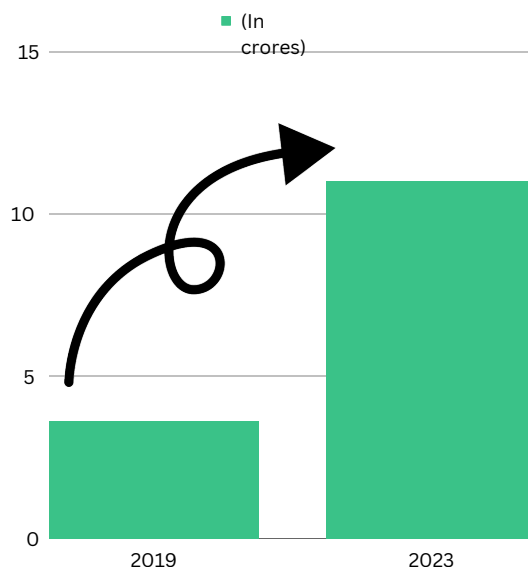

Status of Retail Traders in India -F&O Segment

Source: Analysis of Profit and Loss of Individual Traders dealing in Equity F&O Segment -by SEBI 2023

Only **11%** participants
make profit in F&O segment

Vis-a-Vis rise in Demat Accounts

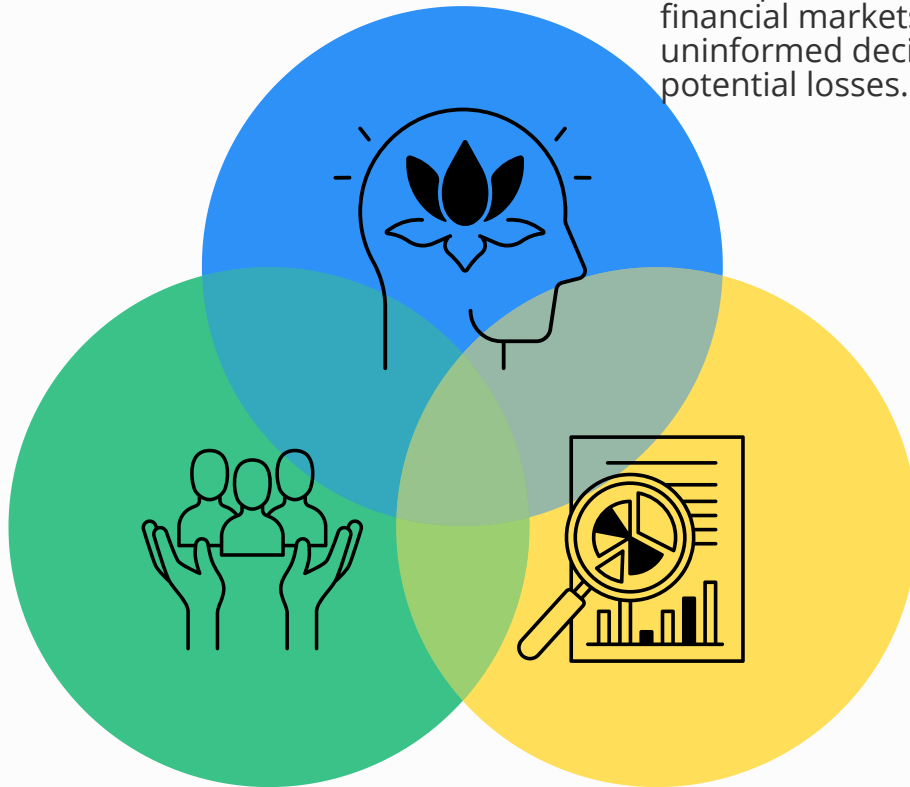

Rise of
300%

Why people make loss in F&O?

We researched to find reasons behind the alarming data claimed by SEBI and concluded that traders lack:

Mindfulness

Inadequate knowledge of financial markets leads to uninformed decisions and potential losses.

Community

Lack of expert guidance and association in choosing the right path & achieving the goal.

Research

Inadequate knowledge of financial markets leads to uninformed decisions and potential losses.

The Art Of Spiritual Trading

After identifying the problems traders face as previously discussed, we combined mindfulness, research and created a well managed community around it. With a combination of yogic practices, mindfulness activities and deep research in modern financial markets, we introduce "The Art of Spiritual Trading"

About the Course:

The Art of Spiritual Trading is an innovative program designed by our team of researchers that combines modern financial tools with ancient wisdom and consciousness to provide participants with a comprehensive understanding of the financial markets while emphasizing personal growth and mindfulness.
